Spirit Horse Equine Rescue and Education Center (hereto referred to as SHEREC) and the Foster wish to enter into this agreement to provide the fostered equine with a suitable home.

1. **General Guidelines** Unless other arrangements are made, it is expected that a Foster would house the equine for a minimum of six months. Any amount of time less than that makes adjustments and readjustments difficult for equines.
2. **Return Policy** SHEREC has a commitment to all its equines: to care for them for their lifetime. The Foster agrees that if he or she is unwilling or unable to care for the adopted equine (for any reason) for its entire lifetime, he or she will contact SHEREC and return the fostered equine to a location specified by SHEREC. The Foster understands that he or she is responsible for the care of the equine until he or she has delivered it into the proper SHEREC hands, and will do everything in his or her power to safely return the equine.
3. **Restrictions** The Foster may not breed, sell, give away, assign, lease, dispose of or transfer the equine.
4. **Identification** The Foster agrees to comply with local and state statutes and ordinances.
5. **Registration** If the equine came to us with registration papers, we retain them to help insure the safety and well-being of the equine. If special circumstances exist, papers may be transferred with a Memorandum of Understanding signed by SHEREC and the Foster.
